Risk Warning: Trading foreign exchange on margin carries a high level of risk and may not be suitable for all investors. Before deciding to trade foreign exchange, you should carefully consider your investment objectives, experience level, and risk appetite. There is a possibility that you may sustain a loss of some or all of your investment and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading and seek advice from an independent financial advisor if you have any doubts. Orbex Limited does not offer its services to residents of certain jurisdictions such as the USA, Iran, North Korea, Indonesia, Mauritius, and Romania.
